## **Homework Practice:**

### **1. Practice Dialogue:**

Practice the dialogues with family members or friends. Substitute different meats and other foods as ingredients in the soup.

### **2. Game: What is it? (shì shén me?)**

Each person describes a food by its food group, color, size, shape, and taste. The person who guesses right gets to describe the next food.

### **3. Game: Silly Soup (bèn tāng)**

Each person takes turns describing what's in the soup they are making, by reciting the description of the player before them, then adding one ingredient. You may use any of the kinds of foods we have discussed so far.

### **4. Food Bingo**
